Here's the first look we've gotten for the new Percy Jackson and the Olympians series, produced by Disney, announced in May 2020:

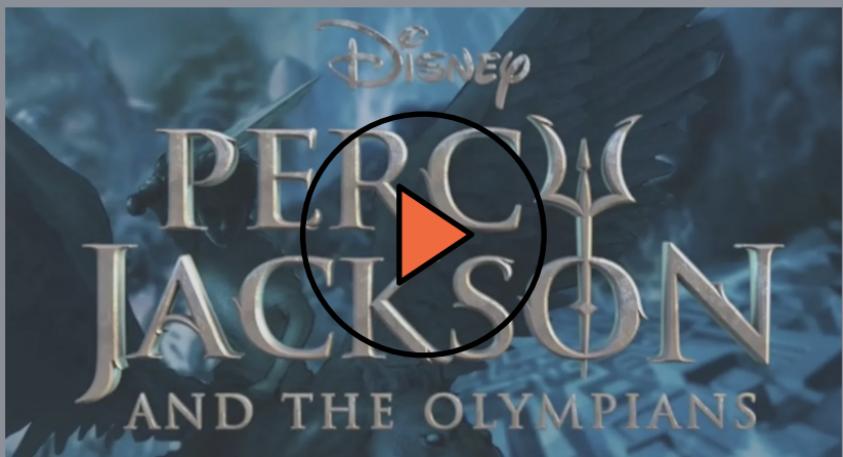

The teaser debuted during the Disney Plus presentation at Disney's D23 2022 expo. The presentation included a segment with the three leads of the series who got the chance to take the stage. The awaited adaptation of our favorite books is currently set to debut on Disney+ in 2024.
